

Dear St. Catherine of Siena, St Joseph or St. Margaret Mary Family,

Thank you for entrusting your child(ren)'s religious education to the programs of our Grouping #327. Families are welcome to attend any faith formation (CCD) program at any site within our grouping. **Please note that once classes begin, students will not be permitted to switch between programs.**

Registration opens on March 29/30th. Students will be placed in classes on a *registration* first returned, first placed basis.

Classes fill up very fast (often within days), so if a certain class time is needed, please return your form on March 29/30th. You are encouraged to register prior to June 15th. This allows us ample time to assess and fill program needs for the upcoming year. An early registration discount is offered at all three parishes.

Please note that for privacy reasons, allergies do not print on the pre-filled personal information form. Any allergy or health information you have provided to our office is present in the database. Each year, the allergies and health information that you handwrite on the personal information form are compared to the information recorded in the database and updated if necessary. If you have any questions about what is currently recorded for your child, please contact us.

We look forward to serving your family and are happy to answer any questions.

Sue Tranter and Kathy Petley
